The Supplier (hereinafter "sera") shall not be bound by any other diverging or conflicting terms and conditions of the Buyer unless sera expressly acknowledges in writing that such terms and conditions shall apply. These GTC shall apply for any subsequent orders and the supply of spare parts without the requirement for further notices and references. The same shall apply for amendments of already existing agreements.
- (2) Subsidiary agreement, warranties and representations as well as changes or amendments whatsoever must be made in writing and agreed in order to be valid.

2. Offers and Order Confirmation

- (1) In principle, our offers are subject to confirmation.
- (2) Offers are only binding if a period of acceptance has been stipulated. All orders are subject to the written consent and approval of sera.

- (4) Supporting documents such as illustrations, drawings, calculations, descriptions, and performance, weight and dimensional data should be regarded as non-binding information only, unless they have been explicitly referred to as binding.

3. Scope of Supply and/or Services

- (1) Supplies and Services are agreed by both parties in writing. If no agreement has been declared, the written order confirmation and these GTC of sera shall apply. In the case of sales agreements, the agreed delivery clauses are to be understood in accordance with the applicable Incoterms valid at the date of the closing of the contract.
- (2) Unless otherwise agreed, costs for arranged erection and assembly, including all necessary incidental costs such as travel or transport costs for tools or personal baggage, are to be separately paid for by the Buyer.
- (3) Partial deliveries are allowed to the extent that they have been agreed between sera and the Buyer or can be considered reasonable taking into account the interests of both parties.

5. Deadlines for Supply and Services

- (1) Deadlines shall require the mutual written consent of the parties or a written order confirmation by sera. Compliance with deadlines for deliveries and services presumes timely receipt of all supporting documents to be provided by the Buyer as well as the submission of necessary authorizations and releases, in particular, drawings and plans, and compliance with the agreed terms of payment and other duties of the Buyer.
- (2) The delivery period commences with the final technical and commercial acceptance.
- (3) If these prerequisites are not fulfilled in a timely manner, the deadline will be extended accordingly, unless the delay is attributable to sera.
- (4) The agreed delivery periods shall be extended accordingly, if their non-compliance is due to force majeure such as war, mobilization, civil disorder or similar events, e.g. strike or lockout.
- (5) If the agreed services do not include erection and assembly, the deadline is met, if the operational goods have been dispatched or collected within the agreed delivery or performance time limit. If shipment is delayed on account of circumstances attributable to the Buyer, the term for delivery is deemed met

when a notice is issued that the shipment is ready for dispatch within the agreed term.

- (6) If the Buyer demands the amendment of technical or commercial contract terms after sera has indicated delivery deadlines, such periods of time shall be prolonged accordingly, without the needs for further notices by sera.
- (7) If the Buyer requests delayed shipment or delivery of more than a month after a notice has been issued that the shipment is ready for dispatch, the Buyer may be charged storage costs of 1 % of the invoice value of the goods according to the sales contract. The parties to the contract are at liberty to furnish proof of higher or lower storage costs.
- (8) sera is entitled to immediately suspend delivery and the performance of operating contracts, if (i) the Buyer declares insolvency or enters into settlement procedures, (ii) the Buyer has sworn an affidavit in accordance with Section 807 ZPO (German Code of Civil Procedure) or (iii) the financial position of the Buyer has significantly deteriorated.
- (9) sera is in default, if the agreed delivery deadline is exceeded and the Buyer has notified sera accordingly in writing.
- (10) If sera is responsible for the non-compliance with the agreed delivery date and the Buyer has suffered actual losses, the Buyer shall be entitled to claim default interest at 0.25% for each completed week up to a total of 5% of the contract value of the deliveries or services which could not be put to the intended use due to the delay.
- (11) Further claims for compensation of the Buyer that exceed the above limits shall be excluded in all cases of delivery default or late performance. This shall also apply, if a grace period set by sera has expired.
The above shall not apply in the event of liability due to deliberate acts, gross negligence and bodily harm.
- (12) The Buyer's right to cancellation upon futile expiration of grace periods granted by sera remains unaffected, if attributable to sera.
The grace period must be reasonable and be at least four weeks.

6. Prices, Conditions and Terms of Payment

- (1) All prices shall be in EURO unless otherwise stated. For supply transactions, prices are "ex works" (EXW), excluding packaging. The prices do not include any sales tax (VAT).
- (2) Shipping costs are at the expense of the receiver and/or Buyer. Packaging costs are calculated separately. Packing materials are not taken back.
- (3) The deduction of cash discounts shall require a separate written agreement.
- (4) Notwithstanding any other provisions stipulated in the order confirmation, the purchase price shall be paid net (without any deductions) within thirty (30) days from the date of invoice.
- (5) In the event that the Buyer is in default of its payment obligations, the Buyer is obliged to pay default interest at a rate of 6 percentage points above the applicable base interest rate pursuant to Section 288 (2) and Section 247 BGB (German Civil Code). Any further damage claims are reserved.
- (6) Payments shall be regarded as received on the day the funds are at the disposal of sera.
- (7) Unless otherwise agreed, Supplies to be delivered abroad require the issuance of an irrevocable letter of credit by the Buyer in favor of sera, which is confirmed by a German bank.
- (8) In the event of payment default, sera is entitled to notify the Buyer in writing of its intention to suspend the performance until the receipt of payments.
- (9) The Buyer may set off claims or assert a right of retention only if such claims are either indisputable or legally binding.
- (10) A minimum net order value of EURO 75.00, excluding VAT is required on all orders accepted by sera. Any order below this value will be subject to a EURO 35.00 net handling fee.

7. Transfer of Risk

Irrespective whether the deliveries were made free of charge, the risk of loss and of deterioration of the Supplies and Services provided by sera shall pass to the Buyer as follows:

- (1) If the Supplies do not include assembly or erection, including partial deliveries, at the time when the Supplies are shipped or picked up.
- (2) In principle, at the latest when leaving the factory of sera.
- (3) If the Supplies include erection or assembly, at the day of acceptance at the Buyer's premises or, if so agreed, after a fault-free trial run.
- (4) The risk shall immediately pass on to the Buyer if dispatch, shipping, the start or performance of erection or assembly, the acceptance in the Buyer's premises or

General Terms and Conditions

as of 09/2010

the trial run is delayed for reasons attributable to the Buyer or if the Buyer has otherwise failed to accept the Supplies.

The same shall apply if the Delivery Items have not been shipped yet and are still located at the factory of **sera**.

8. Insurance

Upon request and at the expense of the Buyer, Supplies by **sera** shall be insured against the usual risks of transport. If such insurance has been taken out, **sera** shall be immediately notified of any damages during transit.

9. Retention of Title

- (1) **sera** retains title to all Delivery Items until all claims for payment against the Buyer under the business relationship including any future receivables against the Buyer in connection with the goods subject to retention of title have been settled.
- (2) The retention of title applies also to confirmed trade balances to the extent that **sera** accounts receivables against the Buyer in a current account.
- (3) Permissible claims for retention of title, in particular if a claim is enforced by redemption of goods, in the case of default or if our ownership rights are at risk, shall not constitute rescission of the contract.
- (4) **sera** is entitled to cancel the contract immediately without notice, if Delivery Items are taken back.
Any proceeds from the sale of Delivery Items, which **sera** has taken back, shall be credited to the Buyer's payment liability minus appropriate depreciation and disposal costs.
- (5) The Buyer's rights to resale, use or the installation of deliveries to which title has been retained, shall cease upon the suspension of payments, application for insolvency or opening of bankruptcy proceedings or other judicial or extrajudicial settlement proceedings.
- (6) **sera** shall then be entitled to immediately demand the return of the goods subject to retention of title. The assertion of a right of retention shall be excluded.
- (7) The Buyer agrees that any person authorized by **sera** with the collection of goods to be picked up, may be granted access to the premises and the building where the collectable goods are located. Without prejudice to the payment obligation of the Buyer, **sera** is, in principle, entitled to sell or auction off returned goods at its own discretion.
- (8) **sera** is entitled to cancel the contract immediately without notice, if Delivery Items are seized or pledged. In the event of an attachment order or any other intervention by a third party, the Buyer shall notify **sera** in writing and without delay so that **sera** can arrange for the order to be rescinded under the provisions of Section 771 ZPO (German Code of Civil Procedures). To the extent that the third party is unable to reimburse the legal costs or out-of-court costs incurred by **sera** under the provisions of Section 771 ZPO, the Buyer shall be liable for such costs.
- (9) The Buyer shall be entitled to resell the Delivery Items as part of its normal course of business but transfers to **sera** here and now all claims to payments that the Buyer may have against its clients or third parties from such resale, up to the amount of the invoice value (including VAT), regardless of whether or not the Delivery Items have been further processed before being resold. The Buyer shall remain authorized to collect these claims, even after the assignment. The Buyer has no rights whatsoever to any other disposal, in particular pledging or the assignment as collateral.
- (10) The right of **sera** to collect the claim itself remains unaffected. However, **sera** is not entitled to collection as long as the Buyer fulfills its payment obligations without being in default. If this is the case, **sera** shall have the right to require the Buyer to inform **sera** of its assigned receivables and the respective debtors, to provide all information necessary for collecting payment, to surrender all related documents, and to inform its debtors (third parties) of the assignment.
Any processing or conversion of the Delivery Items by the Buyer shall always be deemed to have been carried out on behalf of **sera**. If the Delivery Items are processed together with other items which are not **sera**'s property, **sera** shall be deemed to have acquired co-ownership over the new items in the same proportion (*pro rata*) as the value of the Delivery Items to the value of the other processed items at the time of processing. Any items created by such processing shall then be subject to the same restrictions as all other goods supplied under retention of title. The Buyer shall also transfer its claim to payment to **sera** as collateral for **sera**'s receivables against the Buyer which the Buyer may have against a third party due to the combination of the Delivery Items with a parcel of land.
- (11) If the Delivery Items are processed together with other items which are not **sera**'s property and form new items which are combined inseparably, **sera** shall

be deemed to have acquired co-ownership over the new items in the same proportion (*pro rata*) as the value of the Delivery Items to the value of the other combined items at the time of combination. If the combination is carried out with the result that the Buyer's product is regarded as the main component, it is hereby agreed that the Buyer shall transfer co-ownership rights *pro rata* to **sera**. The Buyer is obliged to store said property on behalf of **sera**. The Buyer shall insure said property against normal risks such as fire, theft and water damages at the usual rates. The Buyer hereby cedes its claims to damages from the above-mentioned risks against insurance companies or other parties liable for damages to **sera** in proportion to his receivables.

10. Warranty and Defects in Quality

- (1) All Supplies or services by **sera** showing a defect in quality within the statutory period of limitation as they do not comply with agreed specifications or are not suitable for the intended or agreed purpose, shall be reworked, replaced or be provided again free of charge within the statutory period of limitation and at the discretion of **sera**, provided that the cause of the defect was already present at the time of passing of risk.
- (2) The Buyer shall notify **sera** immediately in writing of any defects found as a result of circumstances prior to the transfer of risk.
- (3) **sera** shall first be given the opportunity to cure the defect by supplementary performance within a reasonable period of time. The Buyer shall give **sera** the opportunity and required time span to do so. If the Buyer refuses to comply with this provision, **sera** shall be relieved of any liability for the defect.
- (4) If supplementary performance fails, the Buyer shall be entitled to withdraw from the contract or reduce the remuneration, without prejudice to any claims for damages. The Buyer is not entitled to claim reimbursement of futile expenses.
- (5) The warranty period shall be twelve months from commissioning (single shift operation of up to 8 hours daily) and is limited to fourteen months after the transfer of risks (see Section 7). Multi-shift operation shall reduce the warranty period accordingly. The warranty period of the initial delivery shall apply for rework or supplied replacement parts. Above provisions shall not apply to claims and rights, for which the law specifies longer mandatory periods in accordance with Section 438 (1) 2 BGB (German Civil Code) (building materials), Section 479 (1) BGB (recourse) and in accordance with § 634 a BGB (construction defects).
In appropriate cases, the warranty period may be extended up to a maximum of 60 months, if the Buyer has entered a maintenance agreement for the corresponding period with **sera**.
- (6) Claims based on defects in cases of insignificant deviations from the agreed or presumed quality, of only minor impairment of usefulness, of natural wear and tear or damages arising after the transfer of risk from faulty or negligent handling, excessive strain, unsuitable equipment or replacement material, faulty construction work or unsuitable site conditions or from particular external influences not assumed under the contract, unfavorable chemical, electrochemical or electrical effects, adverse weather conditions or unsuitable operating conditions, faulty assembly or commissioning by the Buyer or third parties, non-compliance of the instruction manual provided by **sera** as well as due to non-reproducible software errors, are excluded.
In addition, the Buyer is not entitled to demand the defect to be rectified if the defect is attributable to the following causes: Inappropriate or incomplete statement of works and/or description of services or instructions issued by the Buyer; materials or components supplied or stipulated by the Buyer.
- (7) Claims based on defects attributable to improper modifications or repair work carried out by the Buyer or third parties and the consequences thereof shall be likewise excluded. In this case, the warranty provided by **sera** ceases with immediate effect.
- (8) **sera** shall not assume additional costs of travel and transport, labor and material, to the extent that expenses are increased because the Delivery Items were subsequently brought to another location than the Buyer's branch office or the original site, unless doing so complies with the intended use of the Supplies.
- (9) The Buyer is always obliged to take all reasonable steps to keep expenses for subsequent performance as low as possible. **sera** shall share any recall costs only if required according to the factual and legal situation. The Buyer is obliged to return defective products to **sera** or, at the discretion of **sera**, to make such products accessible for inspection and examination.
- (10) The Buyer's right of recourse against **sera** is limited to cases where the Buyer has not concluded an agreement with its customers exceeding the scope of the statutory provisions governing claims based on defects. Moreover, above Section 10.8 shall apply *mutatis mutandis* to the scope of the right of recourse the Buyer may have against **sera**.

General Terms and Conditions

as of 09/2010

- (1) The Buyer's claim for damages or reimbursement of expenses based on breach of obligations or any other legal reason shall be excluded. The above limitation shall not apply in the event of liability under statutory regulations for damages to life and limb, bodily injury, or harm to health.
- (2) Furthermore, the provisions of Section 12 (other claims for damages) shall apply to any claims for damages. Any other claims of the Buyer against **sera** or its agents or any such claims exceeding the claims provided for in this Section 10 shall be expressly excluded.
- (13) The warranty provided by **sera** for legitimate claims within the Federal Republic of Germany covers the repair of defective parts in our plant or the delivery of replacement parts.
- (14) Outside of the Federal Republic of Germany, the warranty obligations of **sera** are restricted to the delivery of replacement parts. Replaced parts become our property.

11. Guarantee and Product Description

- (1) Guarantee provisions are only binding if they are given in written form.
- (2) Information provided in catalogs, offers and other printed matter as well as general advertising statements do not constitute an offer to enter into a warranty agreement.

12. Other Claims for Damages

- (1) Any claims for damages and reimbursement of expenses the Buyer may have for any reason whatsoever, including infringement of contractual obligations and claim in tort, shall be excluded.
- (2) For all products having a network connection, the risk of loss or alteration of data and the risk of faulty data transmission shall pass to the Buyer at the first network interface point of the product.

In the case of software, the risk of loss or alteration of data and the risk of faulty data transmission shall pass to the Buyer upon installation of the software. Despite careful monitoring of data, **sera** assumes no liability for data which are transmitted over an open network interface or other systems into the Buyer's system.

- (3) The above shall not apply in the case of mandatory liability, e.g. under the German Product Liability Act (*Produkthaftungsgesetz*), in the case of intent, gross negligence, injury of life, body or health, or breach of material obligations hereunder.

However, claims for damages arising from a breach of material contractual obligations shall be limited to the foreseeable damage with contracts of this type, unless caused by intent or gross negligence or arising from liability for injury of life, body or health or an express assurance has been given in relation to the existence of a particular property. The above provisions do not imply a change in the burden of proof to the detriment of the Buyer.

- (4) Unless longer periods of limitations are prescribed by statutory law, all claims for damages shall lapse after the periods stipulated under Section 10.5.

13. Industrial Property Rights and Copyright, Defect of Title

- (1) Unless otherwise agreed, **sera** shall provide the Supplies free from third parties' industrial property rights and copyrights (hereinafter referred to as "industrial property rights") in the country of delivery only.
- (2) If a third party asserts a justified claim against the Buyer based on an infringement of industrial property rights with respect to the Supplies made by **sera** and then used in conformity with the contract, **sera** shall be liable to the Buyer within the time period stipulated in Section 10.5 as follows:
 - a) **sera**, at its discretion and at its own expense, is entitled to secure a license for the Supplies concerned or modify such Supplies so that no industrial property rights are violated or replace such Supplies. If this would be unreasonable to demand from **sera**, the Buyer may withdraw from the contract or reduce the remuneration pursuant to the applicable statutory provisions. The Buyer is not entitled to claim reimbursement of futile expenses.
 - b) **sera**'s liability to pay damages shall be governed by Section 12.
 - c) The above obligations of **sera** shall only apply if the Buyer (i) immediately notifies **sera** of any such claim asserted by the third party in writing, (ii) does not concede the existence of an infringement and (iii) leaves any protective measures and settlement negotiations to the discretion of **sera**. If the Buyer ceases to use the Supplies in order to reduce the damage or for other good reason, the Buyer shall be obliged to inform the third party that no acknowledgement of the alleged infringement may be inferred from the fact that the use has been discontinued.
- (3) Claims of the Buyer shall be excluded to the extent that the infringement of an industrial property right is attributable to the Buyer. Claims of the Buyer shall

also be excluded if the infringement of the industrial property right is caused by specifications made by the Buyer, to a type of use not foreseeable by **sera** or to the Supplies being modified by the Buyer or being used together with products not provided by **sera**.

- (4) Otherwise, with respect to claims by the Buyer pursuant to Section 13.2 (a) above, the provisions of Section 10.3 and 10.10 shall apply mutatis mutandis in the event of an infringement of an industrial property right. Where other defects in title occur, Section 10 shall apply likewise. Any other claims or further claims of the Buyer against **sera** or its agents than claims provided for in this Section 13 based on a defect of title shall be expressly excluded.

14. Impossibility of Performance, Revision of Contract

- (1) If the delivery is impossible to **sera**, the Buyer is entitled to claim damages, unless the impossibility of performance is not attributable to **sera**. The Buyer's claim for damages shall, however, be limited to an amount of 10 % of the value of the part of the Supplies which, owing to the impossibility, cannot be put to the intended use. The above shall not apply in the event of statutory liability due to deliberate acts, gross negligence and bodily harm. This does not imply a change in the burden of proof to the detriment of the Buyer. The Buyer's right to withdraw from the contract shall remain unaffected.
- (2) Section 6 (deadlines for Supplies and services) shall apply in the event that the impossibility is of a temporary nature.
- (3) If unforeseeable events for the purposes of Section 6.4 above substantially change the economic importance or the contents of the Supplies or considerably affect **sera**'s business, the contract shall be adapted taking into account the principles of reasonableness and good faith. Where doing so is economically unreasonable, **sera** is entitled to withdraw from the contract. If **sera** intends to exercise its right to cancel the contract, it shall notify the Buyer thereof without undue delay after having realized the repercussions of the event; this shall also apply even where an extension of the delivery period had previously been agreed with the Buyer.

15. Repair Terms

- (1) The Buyer (customer) undertakes to issue a legally binding declaration of decontamination whereby the devices or parts that are to be repaired or maintained will be subject to an expert cleaning, in order to exclude any risk of recontamination to the contractor and/or **sera**.

The devices shall be shipped to **sera** free of all flammable, poisonous, caustic, harmful, irritant or otherwise unhealthy materials.

The declaration of decontamination must be fixed to the outside of the shipment container of the devices. If the shipment is not accompanied by a declaration of decontamination, **sera** may refuse the acceptance of the shipment.
- (2) Products and parts which are sent to **sera** for the purposes of repairs, shall be sent "Free Works" and must be accompanied by a delivery note or packing docket. Prior to any shipment, a shipping advice stating the order number shall be sent to **sera**.
- (3) The Buyer may be charged with the costs incurred in preparing cost estimates irrespective of the fact, whether a repair order is issued thereafter or not. The Buyer is charged with the costs incurred in troubleshooting if an order can not be carried out due to the following reasons:
 - a) The claimed defect was not detected using state-of-the-art rules;
 - b) the order has been cancelled during troubleshooting.
- (4) The period of warranty for all work services (repairs) and any replaced and/or installed material is 6 months. Otherwise, the warranty terms for Supplies and Services stipulated under Section 10 shall apply.
- (5) The terms of payment under Section 5 shall apply.

Furthermore, the following retention of title is agreed:

- a) As far as the spare parts or other components fitted during repairs do not become essential components, the contractor retains the ownership to such installed parts until all of the contractor's receivables arising from the contract have been paid in full.
- b) **sera** may demand from the Buyer to surrender the item for the purpose of removal of the installed parts, if the buyer is in default or does otherwise not comply with its obligations under the retention of title, The Buyer shall bear the full costs of redemption and removal.
- c) If the repairs are taking place at the Buyer's premises, the Buyer shall give **sera** the opportunity to carry out the removal at the Buyer's premises. Labor and travel expenses shall be borne by the Buyer.

The invalidity of individual provisions and conditions of this contract shall have no effect on the validity of the remaining provisions. If a provision is invalid either in part or in whole, the parties to the contract shall immediately endeavor to achieve the intended economic purpose of the invalid provision by other, legally permitted means.

16. Erection and Assembly

Erection, assembly and installation of devices and equipment of **sera** shall be carried out by specialists in compliance with the guidelines of **sera** and the relevant technical norms only.

Unless otherwise agreed in writing, erection and/or assembly by **sera** shall be subject to the following provisions:

- (7) Commissioning may be carried out by technicians authorized by **sera** and according to **sera's** regulations only. The technicians are entitled to refuse the commissioning of equipment if the operating conditions to be provided by the Buyer do not allow for safe operation.
