

DECLARATION OF CONFIRMITY

RoHS

We hereby declare that our products and their packaging - based on our own internal checks, analyses provided by suppliers and / or material certifications of the raw materials used in the production of the **sera Group (sera GmbH, sera ProDos GmbH, sera Hydrogen GmbH)** - are compliant with the EU RoHS Directive 2011/65/EU and 2015/863/EU on the restriction of certain hazardous substances in electrical and electronic equipment.

The products of the **sera Group** do not contain any of the substances defined in the above-mentioned regulation.

The **sera Group** continuously monitors its products for the full scope of substances restricted by the RoHS Directive.

The **sera Group** is aware of the RoHS regulation and will continuously and closely monitor all developments and guidelines in this area and implement them immediately if necessary.

Immenhausen, February 2024

A handwritten signature in black ink, appearing to read "R. Tittel".

Roland Tittel (Vice President **sera Group**)

We oblige our suppliers to regularly provide us with precise information on compliance with all relevant, globally recognised legal guidelines. All information provided by us in connection with RoHS regarding supplied products, materials and substances is based on the information provided by the manufacturers/suppliers and is given to the best of our knowledge and belief. We accept no responsibility or liability for factors beyond our knowledge and control. The **sera Group** reserves the right to update and amend this information as it deems necessary or appropriate.
